Online Entrance Exam Preparation:
TOEFL Prep Course

This program is designed to give you instruction in four areas of English, including: reading, listening, speaking, and writing. You will be introduced to the processes and mechanics of the Teaching of English as a Foreign Language Internet-Based Test (TOEFL iBT). Through this course, you will understand the test format, review various test question styles, learn suggested preparation and test-taking techniques, and complete a variety of exercises and practice tests which reflect the actual TOEFL. In addition, you will have the opportunity to utilize several online test preparation resources.

What to Expect in the TOEFL Preparation Course:

- 8-week program comprised of 2 - 3 hours of preparation per week.
- Interpret the format of the TOEFL test.
- Learn how to prepare most efficiently for the TOEFL test.
- Define the four sections of the TOEFL and how you will be evaluated in each section.
- Develop strategies for answering each section's question type.
- Enhance your test-taking strategies to improve your overall TOEFL score.
- Identify ways to improve your English listening skills.
- Take practice tests to assess your progress.

Comprehensive content. Dynamic delivery.

Thunderbird Online's learning platform provides you the increased functionality necessary for an immersive online learning experience.

What to expect:

- Learning objectives and weekly course material to ensure success throughout the 8-week program
- Lecture capture software to promote visual learning and reinforce course content
- Weekly practice review tests to help you prepare
- Multimedia interactive activities provide a unique hands-on learning experience
- Personal Development Plan allows you to track your progress and reach your goal

Course format

The online course consists of:

- 2 - 3 hours of content per week
- Video lectures & podcasts
- Interactive multimedia activities
- Quizzes & checkpoint questions
- End-of-course assessment

Required Textbook: Barron's iBT Internet-Based Test 2010 13th Edition

Certificate faculty

Thunderbird Professor Steve Gemmiti has been an adjunct professor in Thunderbird's Executive Education department since June 2001. He has developed and taught both online and classroom TOEFL and GMAT preparation courses.

Thunderbird Professor Elizabeth Macdonald is a Clinical Professor of Global Business. Prior to joining Thunderbird, she served as the Director of the ESL (English as a Second Language) program at the Monterey School of International Studies.

About Thunderbird

Thunderbird is the world's #1 ranked school of international business with nearly 70 years of experience developing leaders with the global mindset, business skills, and social responsibility necessary to create real, sustainable value for organizations, communities, and the world.
